

NEW FREE SERVICE FOR KENT RESIDENTS

Motor Oil Recycling:

All motor oil that is free from contaminants and placed in one (1) gallon plastic jugs placed next to the Customer's Recycling Cart, with a limit of two (2) gallons of oil per month per Residence. Be sure to place Name Address on each oil collection plastic jug.

Motor oil will be collected at curbside by placing a screw top container of no more than one (1) gallon per pickup with a limit of two (2) gallons per month per customer.

Kitchen Oil & Grease:

All kitchen oil and grease placed in (1) gallon plastic jugs placed next to Customer Recycling cart will be collected at curbside; with a limit of two (2) gallons of kitchen oil and grease per month per residence. Be sure to place Name & Address on each oil collection plastic jug.

Fluorescent bulbs:

All fluorescent bulbs placed in approved bags placed next to the Customer's Recycle Cart, with a limit of two (2) bags per month per Residence.

Customers will request City approved bags from Allied Waste Services Customer Service department at (206-682-9735). Allied Waste will mail or deliver to the customer within 48 business hours of the customer's request. CFL bulbs, sealed in approved bags, will be collected at curbside on the regular Recycle collection day.

Allied Waste Services vehicles have been outfitted with containment units to safely transport the oil and Fluorescent light bulbs safely.
